

March 14, 2010

To: Teachers of the Carpentry 2010 Skills USA Competition

From: Dianne Howes, Contest Coordinator

RE: Skills USA Competition, March 19, 2010

When arriving please follow signs and park near overhead door area. Please proceed (walk) to front entrance of school to check in with the SkillsUSA, then down hall to the right to check in with the carpentry group.

Thank you cards will be present for all students and teachers to sign for donations that were given for this years competition. The students would not receive these gifts if it wasn't for these donations.

I would like to get group pictures, as I have done in the past years, **upon check-in**.

As a courtesy to me, if you signed up to attend and for some reason cannot please give me call or email to let me know as soon as possible. I would appreciate it very much.

If you are in route to the competition on Friday and are running late, PLEASE call 603-434-7086 and let me know.

See you all on Friday!
